Patient: Onix

German Shepherd

Client: Save One Soul Rescue

Assessment

noise phobias, separation anxiety- severe. owner concerned because he needs to get full time job and if he leaves dog slone he feels dog will get worse and worse. I suggested prozac as part of therapy but dog needs behavior mod. sugessted Dr Dobson, brian manning etc

Plan

wrote script for fluoxetine 40 mg 1 cap q 24 hrs, #30, 1 refill
