Your pet's microchip...

- Provides permanent identification
- Never needs replacement
- Helps your pet get home safely

A microchip is not a GPS - it is a permanent ID number that links to your contact information in the registry. Visible ID tags are your pet's first line of defense if lost or stolen, but the microchip provides permanent protection. Just keep your contact information up-to-date in the registry, and the microchip will always be there to help your pet get home. **Save this card in your pet's medical file for future use.**

Jane

How To Register:

- Step 1** Visit www.found.org/start
- Step 2** Provide as much contact information as possible
- Step 3** Add a photo and notes in your pet's profile, then register your other pets for free
