

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0579-0036. The time required to complete this information collection is estimated to average 25 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

*Health certificate date must be 10 days or less of delivery to new home. Dogs positive for coccidia or giardia CANNOT travel. Last vaccine must be no less than 7 DAYS PRIOR to transport; check each transport's requirements as some are MORE strict. Surgery must be at least 5 DAYS PRIOR to transport departure; check each transport's requirements as some are MORE strict. If test other than the 4Dx SNAP is to be used, it must be approved by SOS.
